

GOVERNMENT : CASE STUDY 4

Mechanical and Electrical

Scottish Hydro Contracting was awarded a competitive tender contract to install the mechanical and electrical services for a new office and workshop campus for a regional Council near Edinburgh.

The £660K project involved the installation of the following:

- Power
- Lighting
- Fire and Intruder Alarms
- CCTV
- Plumbing Systems
- Heating, Ventilation & Air Conditioning

The two-storey building housing 150 staff was designed to consolidate the accommodation of several Council departments previously spread throughout the region.

Scottish Hydro Contracting, a division of SEC, was awarded Electrical Contractor of the Year in the 2006 Select Electrotechnical Awards.

SEC, part of the Scottish and Southern Energy Group is committed to delivering projects on time, on budget and SAFELY.
